To Whom it may concern:

This is to certify that the truck wash facilities operated by

Vita Clean Services located at 4 Ferry Street, Wenatchee, WA 98601
Vita Clean II located at 2251 State Route 221, Prosser, WA 99350
Vita Clean California located at 6533 Harvest Ave, Visalia, CA 93291

are under our Orthodox Jewish rabbinic supervision and are accordingly kosher certified and authorized to wash tank trailers regardless of previous kosher status. This includes tankers with or without kosher certification.

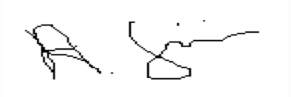
Tankers entering the facility in a kosher state will remain in a kosher state and be able to continue carrying kosher materials provided that:

1. The cleaned tanker is accompanied by a Vita Clean issued tank cleaning invoice indicating "Kosher maintenance specs, stop sequence complete" or "Kosher upgrade specs, stop sequence complete" under "cleaning procedure" and
2.The tanker is kosher certified by a reliable Rabbi or kosher certification agency and the tanker company is complying with the policies of their Rabbi/kosher certification agency.

Tankers which have hauled non-kosher loads will be considered kosher upon leaving these facilities if they are accompanied by a Vita Clean issued tank cleaning invoice indicating "Type 5 Kosher upgrade specs., stop sequence complete" under "cleaning procedure" and are authenticated by my signed, numbered, individually issued special kosherization certificate and the prior 3 loads listed on the wash certificate are either of kosher type liquids or grape juice or wine.

This certificate is valid until December 31, 2026 and is subject to renewal at that time.

Sincerely,



Rabbi Aharon Simkin
