בס"ד

כ"ט אייר תשע"ט

To Whom it may concern:

This is to certify that the Tanker Truck Wash facilities operated by:

L.A. Wash Rack, Inc.

4317 Downey Road
Vernon CA 90058

are under our Orthodox Jewish Rabbinic supervision and are accordingly kosher certified and authorized to wash previously certified kosher tank trailers. Trailers entering the facility in a kosher state will remain in a kosher state and be able to continue carrying kosher materials provided that:

1. this letter is accompanied by a L.A. Wash Rack Tanker Truck Washing Certificate.
2. the tanker is kosher certified by a reliable rabbi or kosher certification agency
3. the prior loads were of kosher product.

This letter **does not** certify the kosherization of previously uncertified tank trailers, nor the re-kosherization of certified tankers which have hauled non-kosher loads. Supervised kosherization of such tankers must be arranged for separately and will be accompanied by a signed, individually issued special kosherization certificate.

This certificate is valid until May 31, 2020 and is subject to renewal at that time.

Sincerely,

Rabbi Aharon Simkin
