To Whom it may concern:

This is to certify that the below listed 10 truck tanker trailers owned and operated by **SMT Logistics Inc.**, Tulare CA 93275

are dedicated to hauling milk and milk products and fruit juices.

trailer numbers T01, T03, T05, T09, T13, T15, T19, T21, T25, T27.

These tanker trailers are under our Orthodox Jewish rabbinic supervision and are accordingly certified kosher for year round use excluding Passover and approved for hauling kosher dairy (חלב סתם) liquid commodities. There must be a kosher upgrade wash certificate provided by a kosher certified truck wash before shipping any kosher pareve products in these tankers.

This letter **does not** certify the kosher status of the liquid commodity being hauled, there should be a separate kosher certificate provided by the shipper for the commodity being shipped in these tankers.

This certificate is valid until March 31, 2021 and is subject to renewal at that time.

Sincerely,

Rabbi Aharon Simkin
